Are you a big fan of Survivor? Our department has been diligently working on designing a fabulous day of Survivor Team Challenges on Saturday, June 11, 2016. Survivor Team Challenges will be an all day event where teams will be asked to compete in activities that will test the mental, physical and leadership abilities of all involved. Teamwork will be put to the test to determine which tribe is the ultimate "Survivor."

We will have endurance challenges, puzzle challenges, water balloon launching and more. And, of course, no survivor game is complete without the good old food challenge!

Starting late February, the Town of Van Buren will be looking for 8 groups of 6 individuals to compete in these games. The cost will be $150 per team and will include buffs and a whole day of fun! Each team will need to wear matching shirts to the event. Lunch is not included so each participant needs to bring a lunch with them. Extra water and Gatorade will be available to purchase.

A team captain must be designated for each team. They will be in charge of downloading, collecting and sending in proper paperwork and payment for their team. That person will also be in charge of checking in the day of the event and picking up the Survivor Team packets.

TO REGISTER: This is a first come, first serve event. We will be accepting a max of 8 teams for the event, so please register early! In order to register, please download the registration forms, from our website, and mail in the team information and payment. We will need everyone’s t-shirt sizes written down on the registration forms.
