

Regular Town Board Meeting September 6, 2016

Mr. Sykes asked Mr. Gilligan, Town Attorney, if there is anything the town can do about the business operation.

Mr. Gilligan said the town can gather evidence that it is being used out of code and make a case that the home is being used as a business and issue a violation to the property owner.

Mr. Foster, Highway Supt., said this intersection does have some issues as far as parking is concerned. But, he said there are other areas in neighborhoods with similar problems. He suggests addressing not just this intersection, but, instead looking at a broader solution that can be applied to other areas that have the same problems.
