Baldwinsville Central School District representatives to inform us on new transportation facility:

Mr. Dana Nelson and Mr. Jamie Rodems were present to address the Board.

Mr. Rodems said the voters in the district approved the purchase of land in Radisson at the corner of Brunda13010

Regular Town Board Meeting October 18, 2016

1ge and West Entry Road as the site of the new transportation facility.

He showed the Board the architect's rendition of the building and said it will be large enough for a wash bay, ten lifts with 12 bays for repairs and a compliant fueling station for diesel, gasoline and natural gas. The building will also have offices and the second story will have a space for training drivers and teachers.

He said they may be able to offer fleet maintenance to the adjacent towns and Village.

Mr. Rodems said the Village of Baldwinsville will continue to use them for their fuel and the Town of Lysander has indicated they may want to use the new facility as well.

Mr. Rodems said they will not begin disturbing the land until they are ready to break ground and they expect to have the new facility in operation in the next three years.

Ms. Dickman asked how much the district paid for the land and how much the facility will cost to build.

Mr. Rodems said the land purchase was \$210,000 for 29.8 acres. He said all utilities are nearby and the building itself is expected to cost around \$24 Million Dollars.

Mr. Rodems said they will re-purpose the existing transportation facility to house IT services, food service supplies and meeting rooms for families and district officials.

Mr. Sykes thanked them for coming and showing the Board their plans.

Assessor's Report:

Ms. Golden said the 2016 State budget has eliminated all new Star exemptions (Basic and Enhanced) starting with the 2016 assessment roll. Star exemptions are “grandfathered” for existing property owners with exemptions in place prior to 2016. New owners will register with DTF online or by phone for the Star Income Tax credit / check. Property owners will be required to pay their school bill in full and will receive the Star savings by check from DTF. The Assessor's office can no longer accept new Star applications. All effected property owners have been notified by the Assessor's Office.

The State reports that 1502 additional checks have been mailed to property owners that initially received Basic Star, but were eligible for Enhanced Star. No word yet on what will happen with the Basic Star overpayments. (Received the full value not capped value of the Basic Star exemption.)

The deadline to register with DTF to receive a Star Check for the 2016-2017 School year is December 31, 2016.

She said the Assessor's office is continuing to notify all new property owners as deeds are received of the changes to the Star Program.

Enhanced Star, Senior Citizen, and Disability exemption renewals for 2017 were mailed in September and are being processed as received. The deadline for exemptions (renewals or new) is March 1st. All other renewals will be mailed in December.

Sales that occurred between July 1, 2015 and June 30, 2016 have been reviewed and verified for valuation. A sales analysis will be completed by Town and then by neighborhood to determine reappraisal work for 2017.

Inventory changes for 2017 are being processed and valued, as building permits are completed. Field review for unfinished permits will occur prior to March 1st.(taxable status date.

Ms. Golden said she attended the One Day Seminar “Valuation of Solar Panels” in Watertown on October 14th. The seminar was well attended and very informative. Attached please see Recently Asked Questions on the Topic of Solar Energy Systems provided by NYSDTF Office of Counsel, which was included in our course materials.
