SWIMMING POOL OWNERS:

Help us monitor
the invasive
Asian Longhorned Beetle
by participating in a
pool filter survey.

Contact DEC to participate in the pool survey

JULY-AUGUST

email:
foresthealth@dec.ny.gov

The Asian longhorned beetle has destroyed tens of thousands of trees in New York City and Massachusetts. Now it threatens New York's forests.

For more information about the Asian Longhorned Beetle and the pool survery: http://www.dec.ny.gov/animals/7255.html
