**TOWN OF VAN BUREN PARKS AND RECREATION DEPARTMENT
WAGES FOR 2022 SEASONAL EMPLOYEES**

The following are our budgeted wages for our 2022 seasonal employees.

Wages are based on employee job responsibilities, whether the employee is in a supervisory position over other staff, and whether certifications are needed for employment (i.e., lifeguards need certifications to work, whereas recreation staff do not, and Water Safety Instructors (WSI's) need additional certification than "regular" lifeguards). Also, wages increase each year to try to entice employees back.
